## PROFESSIONAL CERTIFICATES

### Red Hat Certified System Administrator(RHCSA)

RHCSA is an entry-level certification that focuses on actual competencies at system administration, including installation and configuration of a Red Hat Enterprise Linux system and attach it to a live network running network services.

**Certificate Verification Number: 170-099-774**

### Red Hat Certified Engineer(RHCE)

The Red Hat Certified Engineer (RHCE) certification demonstrates the knowledge, skill and ability required of senior system administrators responsible for Red Hat Enterprise Linux systems.

## EDUCATION

### Bachelor Of Science in Computer Science And Engineering

Ahsanullah University of Science and Technology- Dhaka, Bangladesh

Passing Year: 2017

**CGPA : 3.10 out of  4**

### Higher Secondary School Certificate (H.S.C)

Passing Year: 2012

Setabganj College

**Group: Science | Result: 5.00 out of 5.00**

## ACHIEVEMENTS

### SCALABLE MICRO-SERVICE ARCHITECTURE FOR HEALTH-CARE USING GOLANG AND NOSQL

### ICCIT – 2017 , Published in IEEE Explore

This paper shows the disadvantage of having a monolith application for

large scale health-care application and proposes a microservice based

health-care application development following FHIR interoperability framework

Marital Status: Single
